Step Up for 2008 with LovePork

Great Mini Stepper exercise machine up for grabs!

If you've made a New Year's Resolution to get fit and healthy in 2008, we've got some good news for you. To help you start the New Year on the right track, LovePork is offering you the chance to win a Mini Stepper with a built in computer. This little beauty will get you fit and bursting with energy for the New Year.

LovePork has compiled a list of nutritious pork-based recipes on their website www.lovepork.co.uk to help you on your way to a healthier 2008. Quality Standard Pork is an excellent source of protein to help keep those hunger pangs at bay and also Vitamins B12 and B1(Thiamine) - both of which are important for energy and vitality.

Added to this on average, lean pork contains just 4% fat so its the perfect meat for anyone wanting to start the New Year on the right track.

To get your hands on the Mini Stepper all you have to do is answer the question posed by the radio stations...
